SUBJECT.

From

The Deputy Commissioner, Mysore District

Letter No. 70, Dated 7th August 1907.

The residents of Heggadadevankote, applied to the Deputy Commissioner of the Mysore District, praying for permission to remove Kaggli fuel from the District Forest as per Mamool for the "Konda" of the Sri Varahi Annanavaru temple, ~~[illegible]~~ at Heggadadevankote, during the time of the Jatra. The petition having been forwarded to the District Forest Officer for disposal, the latter in his turn, forwarded it to the Sub-Division Officer for early action.

The Sub Division Officer reports

that what the villagers want is permission to remove 50 cartloads of Kaggli fuel for the purpose stated by them, but that no documents are produced by them in support of their prayer. He however recommends that only 10 cartloads of Kaggli fuel may be granted to them. The District Forest Officer reports to the Deputy Commissioner that the privilege prayed for by the villagers cannot be conceded without Govt. sanction.

Under these circumstances, the Deputy Commissioner solicits the sanction of Govt for the villagers removing 10 cartloads of Kaggli fuel annually, for the temple Kunda, from the District Forest ~~Officer~~ as prayed for

Subd for orders. The Petrs state in their petn., that they have not got any documents in support of their claim but they however say that they used to obtain permission every year and cut fuel for the purpose of building the fire at the time of the Jatra.

Sir,

I have the honor to state that on the application of the villagers of Kasba Heggaddevankote praying for permission being granted to them to bring Kaggali fuel from the District Forest as per manual for the "Konda" of the Varahi Annamanaram temple at the place, the petition was forwarded to the District Forest officer Mysore, for disposal who in turn forwarded it to the Sub Division officer for early action.

2. Thereupon the Sub Division officer reported to the District Forest officer that the villagers prayed for permission to bring about 50 cartsload of Kaggli fuel from the District Forest and Kichwadi Lands as per manual for the Konda, that it was customary to use Kaggli fuel alone for the purpose and that beyond stating that it was the manual the villagers had no documents with them in support of their prayer.

3. He therefore recommended that about

about 10 cartloads of kaggi fuel might be given to the petitioners from the District Forest as the fuel was intended for the Kovila (Vide yadi No 4, dated 8/9.7.0)).

4. The District Forest Officer in his report while forwarding the above report states that the privilege prayed for by the villagers cannot be ~~granted~~ conceded to them without Government sanction.

5. I therefore solicit that sanction of Government may be obtained to bring about 10 cartloads of kaggi fuel, ~~for~~ annually for the Kovila from the District Forest as prayed for by the villagers.

6. The District Forest officer's yadi No 20 dated 18.7.0) and its enclosure 82 are herewith submitted for reference.
